German Medical Science...?

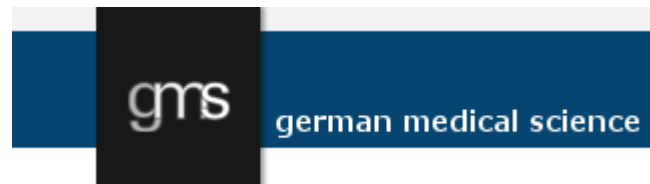

- fachspezifisches Open Access-Publikationsportal
- E-Journals, Kongresspublikationen, Forschungsberichte
- von interdisziplinär bis hochspezialisiert
- arbeitsteilig betrieben von ZB MED, AWMF, DIMDI
- Creative Commons BY-NC-ND

Das Besondere an GMS?

- enge Ausrichtung an Community-Wünschen durch Kooperation mit Fachgesellschaften
- Geschäftsmodell:
 - gGmbH als Trägergesellschaft
 - Fachgesellschafts-Finanzierung
- umfassender Redaktionsservice durch ZB MED

Was gibt's Neues?

- PubMed/MEDLINE: Zwei GMS-Journals sind „drin“!
- PubMed Central Depositing
- Forschungsdaten-Policy
- Relaunch
